

Lisse Screwless Deco

se.com/ng

Life Is On | Schneider Electric

Curves in all the right places...

Stainless Steel

Polished Chrome

Mocha Bronze

Satin Brass

The smooth, modern lines of Lisse Screwless Deco offer an understated elegance to compliment today's interiors.

Whatever your taste, you can express your personal sense of style in the home down to the finest detail through the comprehensive range of finishes Lisse Screwless Deco has to offer.

Now in an elegant decorative finish.

- Ideally suited for new construction and refurbishment projects
- Future-proofed to cater for the latest demands in consumer technology
- Painting and Decorating made easy by the unique Screwless design and clipping system
- Cleverly designed to ensure that product ordering is simple and efficient, with many time and space saving solutions
- Crafted with your customer in mind, adding bespoke solutions to make a lasting impact

Simple by design

Removable screwless cover and reliable clip-in system make Painting & Decorating easier

Insert around the rocker enhances the rocker shape

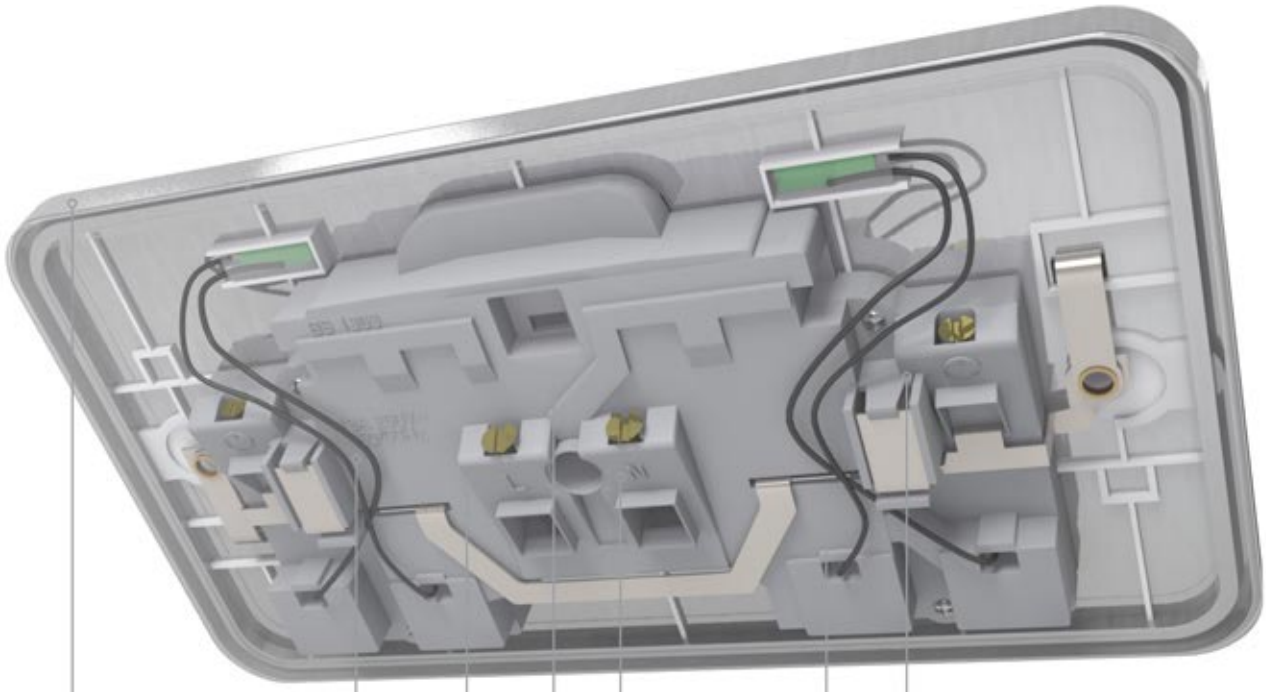
Gently rounded metal rockers to compliment the curved profile

LED power indicator which provides a robust, efficient and long lasting solution

Large plate footprint provides extra strength and reduces the need for additional decorating

Available in a range of 4 stocked and 3 made-to-order metal finishes

GGBL3020DBSS



7mm raised edge profile offers easy installation for new builds and retrofits

Angled terminals for easier access

Backed out and captive screw terminals to allow for positive drive and speed of installation

Minimum back projection frees up space in the back box for cabling

Cable markings on all products with a moulded template to check the wire length

Light grey back moulding colour for easier terminal identification

Twin earth terminals on all 2 gang 13A socket outlets, for high integrity earthing

Ready for digital life

From commercial offices and hotels to residential spaces, Lisse Screwless Deco offers solutions ideally suited to the unique requirements of each installation.

USB Compatible

Complete USB charging solutions: 1 & 2 gang USB sockets, shelf frames, chargers, grid and euro modules. Smart chip technology with device recognition to provide optimum charging.

GGBL30102USBABSSS

GGBL30202USBABSSS

Unique Homeowner Accessories

The clip is ideal for pictures, notes or things you don't want to forget!

Never forget where you put your keys again.

A safe and stylish place to charge your phone

Clip

Hook

Shelf

Decorating made easy

Lisse Decorative range makes painting and decorating even easier thanks to the unique screwless design.

Removable screwless plate helps prevent mistakes when painting and wallpapering

Allows you to paint and wallpaper right up to the switch to achieve a neater finish

Sturdy, reliable clipping system

Durability

From commercial offices and hotels to residential spaces, Lisse Screwless Deco remains a strong, robust product that can withstand the test of time.

- High quality metal plates
- Positive switch mechanism
- High quality products from a global manufacturer

Flexible for all applications

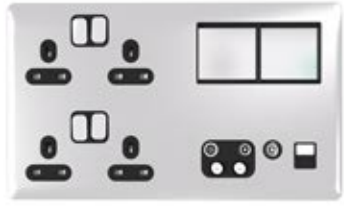
Lisse Screwless Deco offers solutions ideally suited to the unique requirements of each installation.

Dimming Capability

Enjoy a selection of dimming solutions with Lisse Screwless Deco, from mains & low voltage through to LED compatibility.

Safety and Security

Provide peace of mind to a commercial installation or communal space with a lockable socket, as unauthorised energy usage can be restricted



Stay Connected

Help your customers stay connected to their TVs, game consoles, computers and sound systems with Lisse Screwless Deco. Choose from a full range of multimedia connectors, USB chargers and combination plates to meet all of your customers' needs.

USB Solutions

A complete USB charging solution for commercial and residential applications.

Grid Solutions

Lisse Screwless Deco grid plates offer added functionality and flexibility to your installations.

Clear, useful packaging

Lisse packaging is offered in both point-of-sale and wholesale options, depending on your needs. Each option offers clear product information and descriptions, helping to minimise errors when preparing orders.

Point of Sale / shelf-ready box and display packaging

- Clear descriptions, highlights and pictograms to inform and aid purchasing decisions
- Shelf-ready box as a ready-to-sell merchandised unit
- Product reference easily identifiable
- Unobstructed view of front and back of product
- Simply add **S** suffix to wholesale reference

Wholesale packaging

- Optimal dimensions for standard shelves to optimise use of shelf space
- Securely packaged to prevent movement inside the box
- Large, visible labels
- Easy to read in environments with low light levels
