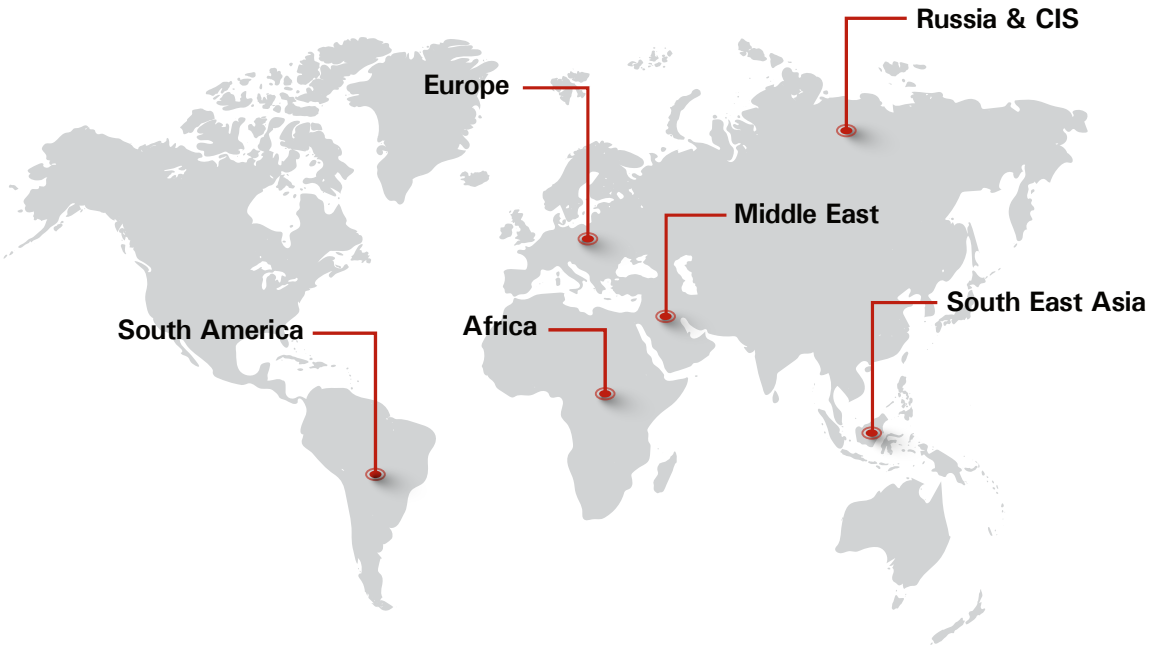
ABOUT HIMEL

Founded in Spain in 1958

Himel is a multinational manufacturer and provider of electrical products that successfully combines global expertise with local knowledge. We focus on long-term partnership with customers and offer products that meet real needs and ensure adequate compatibility for common usage.

For more than 60+ years, combined with global expertise and local knowledge, Himel has set the standard for manufacturing highest quality commercial, industrial, residential and sustainable energy products.

Today, Himel's global footprint and technology has enabled the brand to provide the best combination of affordable and reliable products for Low Voltage Power distribution, Industry Automation and Home Electric to long-term customers and partners.



60+ Years

50+ Countries

100+ Distributors

4000+ Resellers

Himel

Founded in Spain in 1958

Advanced Series

Stylish Switches & Sockets that complement modern spaces

Safety now comes in style

Designed for Modern Living Spaces

Available in 30 functionalities in 5 colors for diverse applications in modern homes, offices and commercial spaces.

Fit and Forget Solution

2 piece assembly with removable clip-on front plate to achieve the perfect finish after interior decoration, avoid damage during fit-out process.

Virtually Unbreakable

High-quality polycarbonate material offers enhanced protection against fire. Phosphor bronze sockets prevent undue heating.

Superior Safety

Fully Compliant with IEC standards each socket is equipped with safety shutter to protect against electric shock. High-grade copper material ensures superior durability that lasts years.

Rigorous Quality Checks

Design and safety come together with Advanced Series. Switches tested for 40,000 times button on/off and sockets for 15,000 cycles of insertion

Prime V2 Series

British Wiring Devices

Switches : EN-60669-1:2018 NB-0007
Sockets : BS 1363-2:2016 + A1:2018

Range Presentation

Prime V2 series is designed for a wide range of applications in various industries: Residential, Commercial buildings, Offices and Hotels etc. It is available in more than 100 functionalities.
This range is available in a classic white finish and with a sleek, elegant apperance. All products use high-quality raw material and ensure maximum safety and reliability.

Features

- Up to 6 Gangs
- Complete Hotel offer
- USB enabled sockets
- 4mm diameter silver contact
- 1.5mm metal plate
- Smartphone holders available
- Works with Himel Smart

Himel Electrical Insulation Tapes are self-extinguishing PVC tape which can be used a wide range of application.

Features and applications

- Available in a range of sizes and colors
- Manufactured from flame retardant materials
- Follow ROHS 1.0
- Operation temperature: 0 ℃ to 80℃
- Withstand voltage :<600V
- Suitable for electrical insulation, binding, colour coding and general work
